## Circle V Ruthless Rose (ET,D) Flush

**Red Cow calved 1/3/20 Reg. No. 60,802**  
**Circle V Cattle Co., Walnut Grove, MN**

Definite brood cow in the making here, Ruthless Rose had a stellar show season capturing two Grand Champion titles (NCHCA Regional, World Beef Expo), Reserve Grand Champion (Husker Classic) and she topped a tough intermediate division at NWSS. She has a pedigree stacked with show champions and imported bloodlines; there's loads of potential to pair her any way you choose. Don't let this first chance opportunity to get in on this powerhouse of a female, pass you by.

*A minimum of six (6) grade #1 embryos are guaranteed to the buyer. In the event the chosen cow does not produce a minimum of six embryos, the buyer will have the option of flushing the cow again until the minimum and only the minimum of six embryos is achieved or the buyer may have the option of a prorated price per embryo based on purchase price at the National Sale. This settlement will be handled only through the buyer and seller. If the chosen cow produces more than six embryos, all embryos will be the property of the buyer. Consignor will choose the embryo technician and location for flushing. The buyer will be responsible for expenses associated with the flush. The sale of flush rights is a transaction between buyer and seller only. AHCA Rules and Regulations apply. A flush rights contract will be signed by consignor and buyer after the sale that defines and guarantees terms and condition of flush. Seller requires flush to happen on or before 6 months from date of sale.*
